xCEED 2018

This year xCEED are proud to announce a partnership with the European Commission (EC). This exclusive opportunity to work with the European Commission is an honour for xCEED, and thrilled that representatives from the European Commission will be hosting a RegTech and Blockchain Panel alongside National Banks from the Central and Eastern Europe (CEE) region and Western Balkans at the 2-day Conference.

Our two-day event is a mix of keynote sessions from the UK leading banks, insight from regulators, interactive panel debates and live demonstrations from the UK's hottest FinTech start-up, covering a range of topics; crypto, AR and Blockchain.

xChange

xCEED provides the right mix of networking, workshops, panels and speakers from well known financial institutions to ensure your time at xCEED is as effective as possible.

Communicate

Speak to industry leaders, banks and fintech experts who will share their expertise and offer real insight and advice.

Expert

Meet experts from banks, insurers, regulators, telcos and retailers from the region alongside a cohort of fintech pioneers from the UK.

Experience

Interactive panels, innovative speakers and workshops plus networking with over 150 c-level executives.

Delivery

Close interaction and networking opportunities with delegates, other sponsors and exhibitors to build productive and profitable relationships.

WHY XCEED 2018

xCEED is the leading fintech conference in Central and Eastern Europe, offering best in class access to industry experts from banks, insurers, regulators, telcos and retailers from the region with UK's FinTech pioneers.

xCEED offers an exciting variety of formats that ensure a unique experience with real domain experience shared in an intimate environment for productive and profitable business transactions going forward.

xCEED 2018 will focus on the practical application of financial technologies in CEE, delivered through interaction and engagement. With a 90% new speaker line-up, its own cryptocurrency and a gift shop, the 2018 event is going to be truly unique.
